## INSTRUCTIONS FOR COMPLETING THE COMPLAINT FORM

To make a complaint about misconduct or other interpreting services provided by an individual licensed by the Kentucky Board of Interpreters for the Deaf and Hard of Hearing (the "Board"), or about interpreting services provided illegally by an unlicensed person, complete the COMPLAINT Form above and send it to the Board at the address listed at the top of the form. Please note that we do not have authority to investigate costs for services that you believe are too high or to intervene in fee disputes. However, we are authorized to investigate complaints involving fraudulent billing.

**Type or print clearly in black ink.** Describe your complaint as completely as you can. If you do not have an email address and/or a daytime telephone number, please provide a number where a message can be left for you during the day. If you have any papers or other evidence that may support your complaint, such as billing invoices or correspondence, please attach copies. **Do not send originals.** If you have physical evidence, you need to retain that evidence in its original condition.

**Be sure to sign and date your complaint.** When your complaint is received, a copy, along with a letter from the Board requesting a response to the complaint, will be sent to the interpreter. When the response is received, the matter will be taken to the Board at its next regular meeting.

**Also, you must complete the AUTHORIZATION form below** by entering your name and the name of the interpreter and/or organization in the appropriate spaces. The Authorization directs the professional, organization, or facility, if any, to release information about the services rendered to you. **Sign and date the Authorization, and have it signed and dated by a witness.** A witness can be any person 18 years or older. The Authorization does not have to be notarized. A completed Authorization assists with the investigation of your complaint in a timely fashion. If you do not wish to provide the Authorization, you may leave it blank. However, failure to provide the Authorization may result in a delay of the investigation.
