NEW BUSINESS

Marva Johnson introduced herself & explained what the Kentucky Board of Interpreters for the Deaf & Hard of Hearing would like to see come from the Policy Committee reconvening.

The present committee members & guests introduced themselves.

Virginia Moore stated to the members the possible goals for the committee to do & they are as follows:

- Work with current regulation & integrate the current comments received into those regulations.
- Get additional comments & integrate those as well.
- Create a sub-committee called the Core Committee Group

The Committee discussed these goals. Virginia Moore gave definition on what the Core Committee Group would be doing. The sub-committee would get together in-person and go through the regulations with an attorney and draft the regulation to include the comments and changes then bring it back to the Policy Committee to review prior to going to the Board.

The Core Committee Group was determined to include Virginia Moore, Rachel Rodgers, Danny Roush, & Amanda Friend. Other Policy committee members are welcome to join as well. Virginia Moore will reach out to Sonja Smith (UofL) & the other stake holders that did not originally respond to the Policy

Committee invitation (KDE & KY Assoc. of the Deaf) to see if they would like to attend the sub-committee meeting.

The Policy Committee set future meeting dates for the Policy Committee & the Core Committee Group. Those dates are as followed:
